

Declaration of Performance

According to Annex III of Regulation (EU) No. 305/2011 Construction Products Regulation.

Product designation:	Bitumen coating PMBC 2K High Solid
Product type identification code:	Bitutec - Bitumen coating PMBC 2K High Solid
Intended use:	Polymer modified bitumen coating (PMBC) for waterproofing structures in contact with the ground.
Manufacturer:	BITUTEC Private Label GmbH, Westring18, D-33142 Büren, Germany
System(s) for evaluation and verification of	
Performance resistance:	System 3, System 3 for fire behaviour
Harmonized standard:	EN 15814:2011 + A2:2014
Notified body:	Materialprüfungsanstalt Nordrhein-Westfalen, identification no. 0432 has carried out the type test

Declared performance:

 EN 15814:2011 A2:2014	 BITUTEC Private Label GmbH Westring 18, D-33142 Büren HRB: 14780 Amtsgericht Paderborn Telefon: +49 2951 7079931 www.bitutec.de E-Mail: info@bitutec.de	
Essential characteristics	Performance	Harmonised technical specification
Watertightness	W2	EN 15814 : 2011 + A2 : 2014
Crack-bridging ability	CB2	
Water resistance	Pass	
Flexibility at low temperature	Pass	
Dimensional stability at high temperature	Pass	
Reaction to fire	Class E	
Resistance to compression	C2A	
Dangerous substances	NPD (B-Compound see SDS)	
Durability	Pass	

The performance of Bitumen Coating PMBC 2K High Solid corresponds to the performance according to the table above.

This letter has been typed and is valid without signature. (The management)
